

Atchison Juneteenth Committee

Celebrating 18 Years in 2024

Celebration:

LFM Park
Atchison, Kansas
June 8-9, 2024

Our Mission:

Giving honor to God, our Mission is to celebrate and honor those African American ancestors who survived the institution of bondage, and to keep their dream of freedom alive.

"Unity in the Community" is also what our committee is striving to achieve by enriching, educating, and empowering the youth and their families for successful careers, healthy lifestyles, and well-balanced relationships.

The Juneteenth Celebration is a time for Celebrating African American Freedom. It is time for our community to come together and unite under friendship and love. It is important for all of us to reflect and educate one another on the past, in order for us to understand where we have been, and to further understand what is needed for us to change today and the future. **"There's Power in Unity"**

Your generous tax-deductible contribution will enable our organization to have a wonderful celebration on June 8-9, 2024, for the whole community to enjoy! Your donation will be recognized on our 2024 Banner.
